

SCHEDULE OF FEES AND CHARGES

Effective October 10, 2022

The following schedule of fees and charges for the use or uses of the Wilmington Airport is hereby established:

1. **Aircraft Operations:**

(For fee purposes, an operation shall consist of an arrival and a departure.)

(a) ***Landing Fee:***

All aircraft, including rotorcraft, with a certificated maximum gross landing weight (MLW) of 7,500 pounds or more, shall be assessed a landing fee of One Dollar and twenty-five cents (\$1.25) per one thousand (1,000) pounds. The MLW shall be established as set forth in the flight manual for the aircraft or any Federal Aviation Administration documents. The following exemptions to this subsection are hereby established:

- (i) ***Signatory users.*** Those aircraft owned and operated by users of the airport having a lease, permit or other operating agreement with Delaware River and Bay Authority with provisions in their contract with Delaware River and Bay Authority for the payment of aircraft operations. If such provisions exist, they may govern in lieu of the landing fee or other user charges.

- (b) **In public tie-down spaces.** The monthly fee for storing aircraft in public tie-down spaces shall be one hundred and twenty-five dollars (\$125.00) per month.

WILMINGTON AIRPORT

(c) ***Apron aircraft parking.*** The public aprons are provided for short-term loading and unloading of passengers and cargo within designated areas. The daily fee for all apron use is:

Type of Aircraft	DRBA Ramp Fee Daily Rate
Design Group 1 Aircraft	\$10.00
Design Group 2 Aircraft	\$50.00
Design Group 3 Aircraft	\$150.00
Design Group 4 Aircraft	\$300.00
Design Group V	\$500.00
Helicopters	\$30.00

Delaware River and Bay Authority assumes no responsibility for securing aircraft on the Terminal apron. Longer term parking is provided by the fixed-base operators on the field.

(d) ***Lighter-than-air aircraft use.*** Lighter-than-air aircraft such as airships, dirigibles, blimps, or balloons shall pay a daily use fee of hundred dollars (\$100.00). The payment of this fee shall entitle the operator to a mooring location that shall be a 300-foot diameter circle centered on the mooring mast or inflation site assigned by the airport, as well as parking for support vehicles. Prior permission of the airport manager is required.

(e) ***Use of Gates and Terminal Facilities*** Airlines who fail to comply with the Maximum Parking Occupancy Periods as set forth in the “Rules and Regulations for Assignment and Use of Gates and Terminal Facilities” or otherwise fails to comply

WILMINGTON AIRPORT

with the Authority's movement directives, may be subject to a fee of \$250 for each successive 15-minute period or fraction thereof until the aircraft is moved. After two hours, the fee shall increase to \$500 for each successive 15-minute period. A fee assessed under this paragraph shall not exceed \$5,000 per aircraft per day.

(f) ***Signatory users.*** Those aircraft owned and operated by users of the airport having a lease, permit or other operating agreement with Delaware River and Bay Authority with provisions in their contract with Delaware River and Bay Authority for the payment of aircraft operations. If such provisions exist, they may govern in lieu of the landing fee or other user charges.

3. **Terminal Use Fees:**

The airline terminal portion of the Terminal Building is provided by the airport for the use of scheduled, nonscheduled and charter airlines. Such uses are normally covered in a lease or other operating agreement and will include a terminal Cost per Turn fee of \$2.50 per enplaned passenger for common use areas. A per turn fee in this section refers specifically to the airline payment for each aircraft departure from a common use gate.

(i) ***Signatory users.*** Those aircraft owned and operated by users of the airport having a lease, permit or other operating agreement with Delaware River and Bay Authority with provisions in their contract with Delaware River and Bay Authority for the payment of aircraft operations. If such provisions exist, they may govern in lieu of the landing fee or other user charges.

(b) Airline is responsible to arrange for or provide, including all costs associated therewith, personnel and screening equipment necessary to comply with Transportation Security Administration regulations.

4. Fuel flowage fee. Aviation fuel delivered to the fuel storage facilities on the airport and dispensed from such facilities shall be subject to the following fuel flowage fee:

- (1) Fixed-base operators - Nine cents (\$0.9) per gallon
- (2) Non-Airline Signatory users who have been given approval to self-fuel-
Eleven cents (\$0.11) per gallon
- (3) Airline Signatory users - Three cents (\$0.03) per gallon.

5. Passenger Facility Charge (“PFC”). Pursuant to 14 Code of Federal Regulations (“CFR”) Part 158, the DRBA is authorized by the United States Department of Transportation (“USDOT”) and the Federal Aviation Administration (“FAA”) to impose a Passenger Facility Charge (“PFC”) on the fares charged to passengers departing from Wilmington Airport. Air Carriers shall collect and remit all PFCs to DRBA in accordance with 14 CFR Part 158 and DRBA’s authorization from the USDOT and FAA, as either may be amended from time to time. Additional information concerning the PFC and the obligations of Air Carriers with respect thereto is on file with the DRBA Airports Division.

6. Removal of wrecked or damaged aircraft in any movement area. Disabled aircraft that cannot be taxied or towed from any movement area of the airport (runways and taxiways) shall be removed as expeditiously as possible. It shall be the responsibility of the aircraft operator to promptly remove the disabled aircraft. If the disabled aircraft operator cannot or will not promptly remove the disabled aircraft from the movement area, the staff of the airport or a company contracted by the airport may remove the disabled aircraft and charge the aircraft operator for the actual cost of removal. In addition, an administrative fee in the amount of two hundred fifty dollars

WILMINGTON AIRPORT

(\$250.00) for a single engine aircraft and five hundred dollars (\$500.00) for aircraft with more than one engine shall be imposed.

7. Vehicle Operations and Parking.

- (a) ***Parking.*** Limited parking spaces are available in public lots near the terminal building. The fee for parking in such lots shall range from \$5.00 to \$10.00 per day with charges beginning after 1 hour. Lost tickets will incur a charge of \$70.00. Unless other arrangements are made with the Airport Manager, no vehicle may be left in these lots for more than thirty (30) days.

- (b) ***Reserved parking by signatory users.*** Certain parking spaces in public lots may be reserved for the exclusive use of certain airport tenants if arranged by lease or other agreement with Delaware River and Bay Authority and this payment for such space is included in the lease or other agreement. Reserved parking spaces shall be clearly marked.

- (c) ***Removal of wrecked, damaged, or abandoned vehicles from the airport.*** Disabled or abandoned vehicles that cannot be moved under their own power shall be removed in accordance with the Delaware River and Bay Authority Police Department towing policy. Any vehicle left in any airport parking lot for longer than thirty (30) days, without prior approval of the Airport Manager, shall be considered abandoned.

- (d) ***Rental Cars and Vehicle Share Services.*** All rental car services or peer to peer vehicle sharing entities conducting business in public areas of the Airport must agree to the most current permit agreement, terms, and associated fees.

WILMINGTON AIRPORT

- (e) **Motor Carriers and Transportation Network Companies.** All motor carriers for hire or transportation network companies (TNC) conducting business at the Airport must agree to the most current operating agreement, terms, and associated fees.
8. **Special events.** The landing facilities of the airport may be used for special events with the prior written permission of the Airport Manager. Such special events must be compatible with the use of the land and facilities as a public use airport and must not, in any way, interfere with aircraft operations. Access to movement areas (runways and taxiways) must be coordinated with the Airport Manager and airport traffic control tower. The fee for such special events shall be set by contract with Delaware River and Bay Authority.
9. **Commercial Annual Fuel Permit Fee:** Each operator of a storage tank and/or mobile fueler shall be required to have a fuel permit issued by the airport to demonstrate compliance with per FAA FAR Part 139 requirement. The annual permit fee is \$150.00.
